RPS Priority Standards Revision Protocol

To Create a New Unpacking Document

- If your PLC agrees a **new priority standard** needs to be unpacked, please use **this template** to unpack the standard as a team.

- When you are finished, please submit your work for publishing through **this Google Form**.

To Revise an Existing Priority Standards Document

- If your PLC agrees an **existing priority standard** document needs to be revised, your AET member or administrative leads can make those changes for your team.

- If your PLC agrees an existing priority standards document needs to be **deleted**, please have your AET member or administrative lead email Labramowski@rockfordschools.org to have it removed from the curriculum website.
